OBJECTS AND REASONS

This Bill intends to amend the National Health Insurance Fund Act, Cap. 395 in order to align it with the Universal Health Insurance Act, Na. 13 of 2023 and to address challenges that have been encountered during the implementation of the Act.

The National Health Insurance Fund Act was enacted in the year 1999 to provide for the establishment of the National Health Insurance Fund for the sustainable healthcare system in Tanzania Mainland. Since its enactment, the Act has been amended nine times with the view to ensure compliance with sectoral and technological changes, social security requirement as well as compliance with regional and international requirements and standards.

The long Title is proposed be amended to widen the scope of beneficiaries under the Fund as opposed to current position where coverage is limited to certain public servant. The purpose of the amendment is to align with the provisions of the Universal Health Insurance Act.

Section 3 is proposed to be amended to improve the definition of various terms used in the Act so as to align with the provisions of the Universal

Health Insurance Act and to introduce definitions of various terms which require to be defined for purposes of providing clarity and consistency in application of the provisions of the Act.

Section 4 is proposed to be amended by removing reference to the “Social Security Act” and substituting for it the reference to “The Universal Health Insurance Act”. The purpose of the amendment is to provide the appropriate reference of the law governing the operations and control of health insurance schemes which are vested in the Universal Health Insurance Act and not the Social Security Act.

Section 6 is proposed to be amended to grant the President the authority to appoint the Director General instead of the Board. The purpose of this amendment is to ensure good governance and accountability in the management of the Fund.

Section 7 which governs the appointment of Directors of the Fund through competitive process is proposed to be repealed in order to remove overlap of that provision with the provision of section 30(d) which governs powers of the Board to appoint personnel of the Fund. The purpose of the amendment is to retain powers of the Board to appoint Directors in the manner determined by the Board.

Section 8 is proposed to be amended to accommodate other categories of persons to be registered with the Fund instead of registration of Government employees only. The purpose of the amendment is to widen the scope of membership in line with the requirements under the Universal Health Insurance Act.

Section 9 is proposed to be amended in order to specify the contribution rates to the Fund and the obligation of all registered members of the Fund. Currently, the law does not provide contribution rates for certain members, including contributors from the formal private sector and some contributors from the public sector. Further, the section proposes that the contribution system for the informal sector be conducted in accordance with the Universal Health Insurance Act. The purpose of the amendment is to ensure more members join the health insurance scheme.

Section 10 is proposed to be amended to mandate the Minister upon recommendation by the Board, to review rates of contribution to the Fund and such rates shall be by notice published in the Government *Gazette*. The purpose of the amendment is to facilitate the ease of adjusting contribution rates due to various reasons. Additionally, the amendments seek to align the provisions of this section with the provisions of section 23(3) of the Universal Health Insurance Act.

Section 11 is proposed to be amended by widening the scope of coverage of beneficiaries. The current position leaves out other categories of members such as indigents, the informal sector and other categories of persons from being members of the Scheme. The purpose of the amendment is to widen coverage of beneficiaries and align the provisions of this section with the Universal Health Insurance Act.

Section 12A is proposed to be amended by removing the reference to the provisions of Section 38A of the Social Security Act. The purpose of the amendment is to remove the need to consider the Social Security Act, as its provisions are now being implemented by the Tanzania Insurance Authority.

Section 14 is proposed to be amended to include persons or group of persons who were not covered under the Act. The purpose of the amendment is to widen the scope of membership and align with provisions of the Universal Health Insurance Act.

Section 15 is proposed to be amended to recognise other forms of identification. The purpose of the amendment is to simplify identification process through other means including electronic identification. The section is also amended to impose an obligation on the employer, member, beneficiary, the member's relatives, and health service providers to report the termination of membership or benefits for any reason by collecting and submitting such identification to the Fund. Further, the section is amended by increasing the age of a child from eighteen to twenty-one years. The purpose of the amendment is to align the section with the definition of the term “child” for purposes of health insurance coverage.

Section 16 is proposed to be amended by renaming the benefit package to be in line with the name stipulated under the Universal Health Insurance Act.

Sections 19, 20 and 23 are proposed to be amended by removing the requirement for accreditation of health care providers by the Fund, instead the Fund will undertake certification of health care providers who are accredited by the Ministry of Health. The purpose of the amendment is to omit accreditation requirement which is outside the scope of this Act.

Section 21 is proposed to be amended in order to empower the Board to vary criteria for certification of health service provider on the basis of other intervening circumstances other than geographical circumstances. The purpose of the amendment is to allow flexibility of beneficiaries to choose a health care provider in areas where there are limited health care services.

Section 22 is proposed to be amended to make provision for the Fund to certify a health facility in accordance with the levels as categorised by the Ministry. The purpose of the amendment is to ensure uniformity of levels of categorisation which is essential in determining types of health care service provided by the respective health care facility.

Section 25 is proposed to be amended to make provision for the payment of money for services rendered by a health service provider to be deposited directly into the account of such provider rather than payment into the Health Service Fund Account. The purpose of the amendment is to facilitate prompt disbursement of claims by the Fund for the efficient provision of health services.

Section 27 is proposed to be amended by broadening misconducts that require monitoring by the Fund. The purpose of the amendment is to ensure that payment out of the Fund are strictly utilised for service rendered.

Section 32 is proposed to be amended to include contribution from other sources which were not covered under the Act. The purpose of the amendment is to incorporate contributions from formal private sector and

informal sector with the view to ensure sustainable and quality provision of health insurance services.

Section 33 is proposed to be amended by deleting the reference to penalties or fines under the Social Security Act and substituting it with a reference to the relevant written law. The purpose of the amendment is to clarify the appropriate authority that can take action in the event of non-compliance with procedures and to align it with section 32 of the Universal Health Insurance Act.

Section 37 is proposed to be amended so as to require the Board to cause to be prepared a “statement of financial position” as opposed to “balance sheet”. The purpose of the amendment is to comply with accounting standards as required under the International Financial Reporting Standards (IFRS).

Sections 43 and 51 are proposed to be amended in order to enhance penalties which have become outdated. The purpose of the amendment is to ensure that the respective penalties are imposed in accordance with the prevailing pecuniary value and gravity of the offence. Additionally, the amendments seek to empower the justice delivery organ to impose penalties for an offence committed by an individual or a company.

Paragraph 6 of the Schedule is proposed to be amended to vest powers of appointment of Director General to the President instead of the Minister. The purpose of the amendment is to ensure good governance and accountability on management of the Fund.

MADHUMUNI NA SABABU

Muswada huu unapendekeza kurekebisha Sheria ya Mfuko wa Taifa wa Bima ya Afya, Sura ya 395 ili kuwianisha Sheria hii na Sheria ya Bima ya Afya kwa Wote, Na. 13 ya 2023 na kushughulikia changamoto ambazo zimebainika wakati wa utekelezaji wa Sheria hii.

Sheria ya Mfuko wa Taifa wa Bima ya Afya ilitungwa mwaka 1999 kwa lengo la kuanzisha Mfuko wa Taifa wa Bima ya Afya kwa ajili ya mfumo endelevu wa huduma za afya Tanzania Bara. Tangu kutungwa kwake, Sheria imefanyiwa marekebisho mara tisa kwa lengo la kuhakikisha uzingatiaji wa mabadiliko ya kissekta na kiteknolojia, matakwa ya hifadhi ya jamii pamoja na uzingatiaji wa masharti na viwango vya kikanda na kimataifa.

Jina refu la Sheria linapendekezwa kurekebisha ili kupanua wigo wa wanufaika chini ya Mfuko tofauti na hali ilivyo sasa ambapo mawanda yamejikita kwa baadhi ya watumishi wa umma. Lengo la marekebisho haya ni kuwianisha masharti ya Sheria hii na Sheria ya Bima ya Afya kwa Wote.

Kifungu cha 3 kinapendekezwa kurekebisha ili kuboresha tafsiri ya misamiati mbalimbali iliyotumika katika Sheria ili kuendana na masharti ya Sheria ya Bima ya Afya kwa Wote na kuongeza tafsiri ya misamiati mbalimbali ambayo inahitaji kutafsiriwa kwa lengo la kuyafanya masharti yanayopendekezwa kurekebisha kueleweka kwa urahisi zaidi na kuendeleza mfanano katika matumizi ya misamiati iliyotumika katika Sheria.

Kifungu cha 4 kinapendekezwa kurekebisha kwa kuondoa rejea ya “Sheria ya Hifadhi ya Jamii” na badala yake kuweka rejea ya “Sheria ya Bima ya Afya kwa Wote. Lengo la marekebisho haya ni kuweka rejea sahihi ya Sheria kwakuwa mamlaka ya usimamizi na uendeshaji wa skimu za bima yapo kwa mujibu wa Sheria ya Bima ya Afya kwa Wote na siyo Sheria ya Hifadhi ya Jamii.

Kifungu cha 6 kinapendekezwa kurekebisha ili kutoa mamlaka ya uteuzi wa Mkurugenzi Mkuu kwa Rais badala ya Bodi. Lengo la marekebisho haya ni kuhakikisha utawala bora na uwajibikaji katika usimamizi wa Mfuko.

Kifungu cha 7 kinachosimamia uteuzi wa Wakurugenzi wa Mfuko kwa njia ya ushindani kinapendekezwa kufutwa ili kuondoa ukinzani baina ya kifungu hicho na kifungu cha 30(d) kinachoweza masharti kuhusu

mamlaka ya Bodi kuteua wafanyakazi wa Mfuko. Lengo la marekebisho haya ni kuiachia Bodi mamlaka ya uteuzi wa Wakurugenzi kwa Bodi.

Kifungu cha 8 kinapendekezwa kurekebishwa ili kujumuisha makundi mengine ya watu wanaopaswa kusajiliwa chini ya Mfuko na siyo kwa watumishi wa umma pekee. Lengo la marekebisho haya ni kupanua wigo wa wanachama kwakuzingatia matakwa ya Sheria ya Bima ya Afya kwa Wote.

Kifungu cha 9 kinapendekezwa kurekebishwa ili kubainisha viwango vya uchangiaji katika Mfuko na wajibu wa wanachama wote waliosajiliwa na Mfuko kuchangia. Kwa sasa, Sheria haitoi viwango vya uchangiaji kwa baadhi ya wanachama wakiwemo wachangiaji kutoka katika sekta rasmi binafsi na baadhi ya wachangiaji kutoka katika sekta ya umma. Vilevile, kifungu hicho kinapendekeza kuwa, utaratibu wa uchangiaji wa sekta isiyo rasmi utafanyika kwa kuzingatia Sheria ya Bima ya Afya kwa Wote. Lengo la marekebisho haya ni kuhakikisha wanachama wengi wanajiunga katika skimu ya bima ya afya.

Kifungu cha 10 kinapendekezwa kurekebishwa ili kumpa mamlaka Waziri kwa mapendekezo ya Bodi, kufanya mapitio ya viwango vya uchangiaji katika Mfuko ambapo mapitio hayo yatatolewa kwa notisi itakayochapishwa katika Gazeti la Serikali. Lengo la marekebisho haya ni kuweka urahisi wa kubadilisha viwango vya uchangiaji kutokana na sababu mbalimbali. Vilevile, marekebisho haya yanalenga kuwianisha masharti ya kifungu hiki na masharti ya kifungu cha 23(3) cha Sheria ya Bima ya Afya kwa Wote.

Kifungu cha 11 kinapendekezwa kurekebishwa ili kuongeza wigo wa wanufaika. Kifungu kilivyo sasa hakijajumuisha makundi mengine ya wanachama kama vile watu wasio na uwezo, sekta isiyo rasmi na makundi mengine ya watu katika Skimu. Lengo la marekesho haya ni kujumuisha wanufaika wengi na kuwianisha masharti ya Sheria hii na Sheria ya Bima ya Afya kwa Wote.

Kifungu cha 12A kinapendekezwa kurekebishwa kwa kuondoa rejea ya masharti ya kifungu cha 38A cha Sheria ya Hifadhi ya Jamii. Lengo la marekebisho hayo kuondoa uhitaji wa kuzingatiwa kwa Sheria ya Hifadhi

ya Jamii kwakuwa masharti hayo sasa yanatekelezwa na Mamlaka ya Bima Tanzania.

Kifungu cha 14 kinapendekezwa kurekebisha ili kujumuisha baadhi ya watu na makundi ya watu ambao hawakuwa wamejumuishwa katika Sheria. Lengo la marekebisho haya ni kupanua wigo wa uanachama na kuwianisha masharti ya Sheria hii na Sheria ya Bima ya Afya kwa Wote.

Kifungu cha 15 kinapendekezwa kurekebisha ili kutambua aina nyingine za vitambulisho. Lengo la marekebisho haya ni kurahisisha mchakato wa utambuzi kupitia njia nyingine ikiwemo vitambulisho vya kielektroniki. Kifungu hiki kinarekebisha pia kwa ajili ya kuweka wajibu kwa mwajiri, mwanachama, mnufaika, ndugu wa mwanachama na vituo vya kutolea huduma za afya kutoa taarifa ya kukoma uanachama au unufaika kwa sababu yoyote kwa kukusanya na kuwasilisha vitambulisho hivyo kwa Mfuko. Vilevile, kifungu hiki kinapendekezwa kurekebisha kwa kuongeza umri wa mtoto kutoka miaka kumi na nane hadi ishirini na moja. Lengo la marekebisho ni kuwianisha masharti ya kifungu hiki na tafsiri ya “mtoto” kwa madhumuni ya huduma ya bima ya afya.

Kifungu cha 16 kinapendekezwa kurekebisha kwa kubadilisha jina la kifurushi cha manufaa ili kuendana na Sheria ya Bima ya Afya kwa Wote.

Vifungu vya 19, 20 na 23 vinapendekezwa kurekebisha kwa kuondoa sharti la mfuko kuthibitisha watoa huduma za afya, badala yake kutambua watoa huduma za afya wanaothibitishwa na Wizara ya Afya. Lengo la marekebisho haya ni kuondoa sharti la uthibitishaji ambalo lipo nje ya wigo wa Sheria hii.

Kifungu cha 21 kinapendekezwa kurekebisha ili kuipa Bodi mamlaka ya kubadilisha vigezo vya uthibitishaji wa mtoa huduma za afya kwa kuzingatia mazingira mbalimbali tofauti na mazingira ya kijiografia. Lengo la marekebisho haya ni kutoa fursa kwa wanufaika kuchagua mtoa huduma za afya katika maeneo ambapo kuna uhaba wa huduma za afya.

Kifungu cha 22 kinapendekezwa kurekebisha ili kuweka masharti kwa Mfuko kutoa uthibitisho kwa kituo cha huduma ya afya kulingana na viwango vilivyopangwa na Wizara. Lengo la marekebisho haya ni

kuhakikisha mfanano katika viwango vya upangaji ambavyo ni muhimu katika kubaini aina za huduma za afya zinazotolewa na kituo cha huduma ya afya husika.

Kifungu cha 25 kinapendekezwa kurekebisha ili kutoa masharti ya malipo ya fedha kwa huduma zinazotolewa na mtoa huduma ya afya kuhamishwa moja kwa moja kwenye akaunti ya mtoa huduma badala ya malipo kuhamishiwa kwenye Akaunti ya Mfuko wa Huduma za Afya. Lengo la marekebisho haya ni kuwezesha madai kulipwa kwa wakati na Mfuko kwa ajili ya utoaji wa huduma za afya kwa ufanisi.

Kifungu cha 27 kinapendekezwa kurekebisha kwa kuongeza wigo wa makosa yanayohitaji usimamizi wa Mfuko. Lengo la marekebisho haya ni kuhakikisha kuwa malipo kutoka kwenye Mfuko yanatumiwa kwa huduma zilizotolewa tu.

Kifungu cha 32 kinapendekezwa kurekebisha kwa kujumuisha michango kutoka vyanzo vingine ambavyo havikujumuishwa chini ya Sheria. Lengo la marekebisho haya ni kuingiza michango kutoka sekta rasmi binafsi na sekta isiyo rasmi kwa lengo la kuhakikisha utoaji endelevu na bora wa huduma za bima ya afya.

Kifungu cha 33 kinapendekezwa kurekebisha kwa kuondoa rejea ya adhabu au faini chini ya Sheria ya Usimamizi wa Hifadhi za Jamii na kuingiza rejea ya sheria inayohusika. Lengo la marekebisho haya ni kubainisha mamlaka stahiki inayoweza kuchukua hatua kutokana na kutokufuata utaratibu na kuzingatia utaratibu ulioainishwa katika kifungu cha 32 cha Sheria ya Bima ya Afya kwa Wote.

Kifungu cha 37 kinapendekezwa kurekebisha ili kuitaka Bodi kuandaa “taarifa ya kifedha” badala ya “mizamia ya hesabu”. Lengo la marekebisho haya ni kuzingatia viwango vya kahasibu chini ya Viwango vya Kimataifa vya Uhasibu (IFRS).

Vifungu vya 43 na 51 vinapendekezwa kurekebisha ili kuongeza kiwango kwenye adhabu ambazo zimepitwa na wakati. Lengo la marekebisho haya ni kuhakikisha kuwa, adhabu zinatolewa kwa kuzingatia thamani ya fedha na uzito wa kosa. Aidha, marekebisho haya yanatoa

mamlaka kwa vyombo vya utoaji haki kutoa adhabu kwa kosa lolote lililofanywa na mtu binafsi au kampuni.

Aya ya 6 ya Jedwali inapendekezwa kurekebishwa ili kutoa mamlaka ya uteuzi wa Mkurugenzi Mkuu kwa Rais badala ya Waziri. Lengo la marekebisho haya ni kuhakikisha utawala bora na uwajibikaji katika usimamizi wa Mfuko.
